

# RESTORING HOME HOMESCHOOLING

---

## HOME ASSIGNMENT

### SUMMARY OF TODAY'S VIDEO

Three mothers share their experiences (both the rib-ticklers and the tear-jerkers) with homeschooling. Alli, Rachael, and Donna have a 35+ years in the homeschooling teacher's seat and understand what it takes to successfully run a household and a classroom and lead children from Pre-K to Post-Grad.

They share their experiences, thoughts, and insider tips for many mothers and fathers considering teaching their own children as public systems begin to provide an inferior, unsafe, and increasingly hostile atmospheres for learning.

### THIS WEEK

Visit with a homeschooling family. Ask them your questions, and perhaps sit in and observe for a few hours.

List the pros and cons of homeschooling under each of these categories: Spiritual/Moral Impact, Social Impact, Educational Impact, Support of your Family Values, Physical safety/wellbeing.
