## **Discussion Questions:**

1. Why was Paul so eager to return to the congregations of Galatia after the Jerusalem council and apostolic decree? How was Silas an asset in that endeavor?
2. Why did Paul and Barnabas separate?
3. Why was Timothy, a Jew, uncircumcised? Why did Paul deem it necessary for Timothy to be circumcised?
4. What accusations did the men of Philippi lodge against Paul and Silas? Were the accusations true?
5. How did the jailer know to ask the apostles about the way of salvation?
6. Why was the Jewish community in Thessalonica concerned about the message of the apostles? Was the concern legitimate?
7. Why did Luke consider the Jews of Berea to be more noble-minded than those in Thessalonica?
